Council 2020 walk

Members of the council,

The members of the Marinette Genealogy Group are asking for your approval once again to hold two educational cemetery walks; early and late summer of 2020.

Our history lesson for these tours will be “Street Names”. We will reveal to our guests the stories of persons for which a street was named after and still exists today. We will also tell their significance to our city and the reason they were honored.

In order to honor our great cities founding fathers we are asking you to allow us to hold one of these walks at Woodlawn and the other at Forest Home Cemetery. Participants will remain on paved pathways only.

For both tours, tickets and registration will be sold and provided at the Mausoleum in Forest Home Cemetery. We will have each participant sign the release agreement and we will provide you with these when the tours are completed.

At both tours, an information table will be set up with information on the Marinette Genealogy Group, and “Historic Research Tools and Literature” from Stephenson Public Library and possible other related organizations.

We will once again be including the Marinette High School History Club students and their advisor Mr. Fischer with our walks. It is a great way to educate these young students of our cities history but also give them a pride of their home town.

We wish to thank you for your continued support, and hope that you will allow us once again to continue to teach the history of our great city and honor those who made it what it is today.

Thank you,

The Marinette Genealogy Group

Dear Sirs;

I would like to sell our crypt back to the city of Marinette. I would then like to purchase a niche for two at the Mausoleum.

Sharon Marineau
