Re: Main Street, Wells Street, and Ludington Street Reconstruction
City of Marinette, WI
Public Information Meeting

Dear Stakeholders and Businesses:

Ayres Associates will be facilitating a Public Information Meeting on the evening of Tuesday, June 29, 2021, from 5:00 p.m. to 7:00 p.m. in an effort to keep stakeholders and businesses informed about the upcoming construction projects on the above referenced roadways. The meeting will be held in the Council Chambers of the Marinette City Hall located at 1905 Hall Avenue.

The construction project includes:

- Main Street, from Hall Avenue to Wells Street
- Wells Street, from Main Street to Ludington Street
- Ludington Street, from Hall Avenue to Stanton Street

Information will be presented by Ayres describing project details, alternatives, and project schedule. Attendees will have the opportunity to provide input on possible project alternatives.

We strongly encourage all businesses and nearby residents to attend this stakeholder meeting on Tuesday, June 29th. If you have any questions concerning this meeting or the project in general, don't hesitate to call me at 920-498-1200.

Sincerely,

Ayres Associates Inc
