Village of Somerset*, 316 F.3d 702 (7th Cir. 2003) as well as studies and summaries of studies conducted in other cities, including, but not limited to, Phoenix, Arizona; Tucson, Arizona, Garden Grove, California; Los Angeles, California; Whittier, California; Indianapolis, Indiana; Minneapolis, Minnesota; Ellicottville, New York; New York City, New York; Times Square, New York; Cleveland, Ohio; Oklahoma City, Oklahoma; Amarillo, Texas; Austin, Texas; Beaumont, Texas; Cleburne, Texas, Dallas, Texas, Houston, Texas; Seattle, Washington; Newport News, Virginia; St. Croix County, Wisconsin; and the Report of the Attorney General's Working Group on the Regulation of Sexually Oriented Businesses (Minnesota, June 6, 1989), the Common Council of the City of Marinette finds that adult establishments may and do generate secondary effects, which the Common Council believes are detrimental to the public health, safety and general welfare. These secondary effects, include, but are not limited to:

1. Greater frequency, as shown by crime statistics, of all types of crimes, especially prostitution, other sex-related crimes and controlled substance crimes in neighborhoods where adult establishments are located, particularly when located in proximity to each other, as well as to businesses serving alcohol, which thus requires increased supervision from public safety agencies of local governments;
2. Increased urban blight and decay as other business and residents move out of the vicinity as they perceive adult establishments as an indication that the area is deteriorating;
3. Decreased property values on both residential and commercial properties, which harm the economic welfare of communities and negatively affect the overall quality of life;
4. Increased public health risks through the spread of sexually transmitted diseases; and
5. Increased potential for infiltration by organized crime for the purpose of unlawful conduct;

WHEREAS, the Common Council finds, based on these studies and judicial decisions such as *Ben's Bar, Inc. v. Village of Somerset*, 316 F.3d 702 (7th Cir. 2003), that the consumption of alcoholic beverages on the premises of an adult establishment exacerbates the deleterious secondary effects of such businesses on the community;

WHEREAS, the Common Council desires to minimize and control these adverse secondary effects and thereby protect the health, safety and general welfare of the citizenry, preserve the quality of life, protect citizens from increased crime, preserve the property values and character of surrounding neighborhoods and deter the spread of urban blight;

WHEREAS, the Common Council finds that some of the activities described herein are protected as expression under the First Amendment of the United States Constitution, recognizes that such rights are among our most precious and highly protected rights and wishes to act consistently with full protection of those rights;

WHEREAS, it is not the purpose of this ordinance or the Common Council to suppress any speech activities protected by the First Amendment, but instead to enact a content-neutral ordinance which addresses the secondary effects of adult establishments;

WHEREAS, the Common Council recognizes that it lacks authority to regulate obscenity pursuant to Wis. Stat. § 66.0107(3) and does not intend by adopting this ordinance to regulate obscenity, but instead only intends and declares its intent to enact an ordinance addressing the secondary effects of adult establishments;

WHEREAS, it is also not the intent of the Common Council to condone or legitimize the distribution of obscene material since the Common Council recognizes that state and federal law prohibits the distribution of obscene materials and expects and encourages state law enforcement officials to enforce state obscenity statutes against any such illegal activities in the City of Marinette;

WHEREAS, the Common Council has authority under its general police powers as provided under Wis. Stat. § 62.11(5) to act for the good order of the City and for the health, safety and general welfare of the public and may carry out its powers by regulation and suppression;

WHEREAS, the Common Council has the authority to prescribe additional regulations for the sale of alcohol beverages under Wis. Stat. § 125.10(1) that are not in conflict with Chapter 125 of the Wisconsin Statutes;

WHEREAS, the Common Council finds that locational criteria alone do not adequately protect the health, safety and general welfare of the people of the City;

NOW, THEREFORE, the Common Council of the City of Marinette, do ordain as follows:

Section 1. Marinette Municipal Code Section 9-2-35 is created as follows:

- (d) **DEFINITIONS.** The definitions found in § 13-1-95(b) shall also apply to this subsection, unless the context requires otherwise, or the application is obviously unintended.
- (e) **PENALTY.** Any licensee who violates subpar. (b) shall be subject to a forfeiture for each offense as defined in § 1-1-7 of this Code.
